### **WeighToolBox (WTB) 2018 options and price list (April 2018) Type 28 from Ser. No. 0040**

#### **WeighToolBox**

'WeighToolBox' for Tractors with Front Linkage and additional fitting to tractor base weight and short version coupling on front linkage to hold weight close to tractor in a similar position to mounting on tombstone.

*Storage for tools, heavy tooling, spare parts, heavy waring parts, keeping the tractor cab floor clear !*

- Constructed from 25mm 10, and 4 mm plate, fully welded and power coated for a durable finish.
- The WeighTool box weighs 350KG. The storage box is 800mm x 500mm x 500mm plus weight carrying wings 400mm each side.
- Up to 18 x 45KG John Deere type wafer weights (9 each side of the box)  
If more weight is required, a base weight can be mounted to the front of the box. ( eg. 18 JD wafer weights + the weight of the box, plus base weight = 1250KG) Other manufacturers weights can be used using a modified rack on the carrying wings.
- Hinged, weatherproof lockable lid with gas struts.
- Optional spacer blocks available for mounting additional base weight.
- Optional bolt on front of box towing/drawbar eye.
- WeighTool box can be manufactured to fit any manufacturers base weight in addition to front linkage.

**Basic price £1500. Ex Vat**

Option part	Description	Price	Notes
<p><b>Basic Price ( Base price)</b>  <b>To enable fitment on JD type tombstone including lower rear retaining bracket and 20 MM fixings</b>  <b>NB Max load on this method 1250 KG</b></p>		<p><b>£1500</b></p>	

<b>Option part</b>	<b>Description</b>	<b>Price</b>	<b>Notes</b>
<p>Price including dual fitting options for tombstone and three point linkage fitment.</p>		<p><b>£1765</b></p>	
<p>Top Link extension Bracket including CAT II extended top link pin, short cat II pin and CAT 2/3 top link ball, and 2 lower link extended pins and 2 CAT 2/3 lower link balls and retaining pins</p>		<p><b>£265</b></p>	
<p>Front of WTB drawbar unit. Made from 20mm plate and 20mm fixings and 30mm draw bar pin</p>		<p><b>£145</b></p>	
<p>Side lighting units, left and right, stainless steel fixings and LED light units</p>		<p><b>Fabrication</b> <b>£75.00</b> <b>Lights at RVT pricing</b></p>	

Option part	Description	Price	Notes
<p>Left and Right 'load pods' with lockable lid for extra storage or add your own old weights etc</p>		<p>£290/side</p>	
<p>Left and right 'weight pods' as above but filled with concrete, removeable 20mm fixings weight approx 250 kg per side making WTB overall 875kg</p>		<p>£290/side plus concrete at customer cost</p>	
<p>Short coupling assembly. Allows WeighToolBox to be mounted on the front linkage but keeping the unit closer to the front axle, shortening overall vehicle length</p>		<p>£150/pair</p>	
<p>Front of WTB Work light kit.</p>		<p>Standard mounting fabrication. Lighting at RVT pricing</p>	
<p>Front of WTB spacer blocks to enable circa 110 kg tombstone weight to be fitted to front of WeighToolBox</p>	 <p>Spacer blocks to enable Deere type Tombstone to be added to front of WeighToolBox.</p>	<p>£35.00/ Pair (long cap head bolts extra)</p>	

Option part	Description	Price	Notes
<p>Max loading on tombstone example.</p>
